

# INNOVATION 2024 WEEK

## Calendar of Events

### Monday, Nov. 4

#### 9-11 a.m. Kick-Off!

Durham Research Center I — Atrium

An open house for all.

- Meet UNeMed staff
- Get a free UNeMed T-shirt
- Complimentary coffee & doughnuts

#### Noon-1 p.m. Seminar: Ins and Outs of Ideation

Virtual Event — Zoom

Open to anyone interested in innovation and curious about University of Nebraska resources available to inventors and innovators; how to protect an invention; what it takes to grow and develop an idea.

- Amanda Hawley, PhD, Sr. Licensing Specialist, UNeMed
- Zoom: [bit.ly/Ideation2024](https://bit.ly/Ideation2024)

tech transfer for nebraska

### Tuesday, Nov. 5

#### Noon-1 p.m. Seminar: Design Thinking Experience

Leon S. McGoogan Health Sciences Library — Design Hub

Learn about the free Design Thinking resources available in the Leon S. McGoogan Health Sciences Library's Design Hub. Presenters will walk attendees through the process of approaching a healthcare challenge using Design Thinking methodology.

- Free and open to all
- Space is limited

### Wednesday, Nov. 6

#### Noon-1 p.m. Panel Discussion: Alternate Careers in Science

Durham Research Center I — 1005

Expert panel of scientists will outline their careers away from the research bench and discuss other opportunities available to graduate students and researchers. A boxed lunch will be provided to guests on a first-come, first-served basis. Open and free to all. Panelists will include:

- Agnes Lenagh, PhD, Business Dev. Manager, Streck
- Nathan Hatch, PhD, Licensing Associate, UNeMed
- Jason Glanzer, PhD, Patent Attorney, Suiter Swantz IP

Get your free UNeMed  
T-shirt at Innovation  
Week Kick-Off!

### Thursday, Nov. 7

#### 10:30-noon Workshop: Hands-on 3D Printing & Design

Leon S. McGoogan Health Sciences Library — Maker Studio

Learn your way around a 3D printer and how to make the most of the free maker software and equipment available inside the Jim and Karen Linder Maker Studio at the McGoogan Library.

- Free and open to all
- Space is limited

#### Noon-1 p.m. Lunch & Learn: UNeTech Services Showcase

Durham Research Center I — 1004

Virtual Option — Zoom

Staff from the UNeTech Institute will discuss all the services available to inventors that can help advance their early-stage ideas into actual things. Complimentary boxed lunch provided to in-person guests on a first-come, first-served basis.

- Free and open to all
- Attend in-person or virtually
- Zoom: [bit.ly/2024UNeTechShowcase](https://bit.ly/2024UNeTechShowcase)

#### 4-6 p.m. Catalyst Tours

UNMC Catalyst — North Entrance

A limited number of guided hardhat tours will usher guests through the UNMC Catalyst building project, located on Saddle Creek Road, just north of Leavenworth Street.

- Closed-toe shoes are mandatory
- Tours are by reservation
- Sign up here: [bit.ly/CatalystTours](https://bit.ly/CatalystTours)

#### 5-8 p.m. Research Innovation Awards Ceremony

UNMC Catalyst — Event Center

A celebration of the research and innovations developed at UNMC & UNO.

- Innovator of the Year to be honored
- Most Promising New Invention to be announced
- Startup of the Year to be announced
- Faculty Entrepreneur to be announced
- Innovation Champion to be announced
- New inventions, patents & licenses recognized
- Hors d'oeuvres and networking
